PROFIL PERUSAHAAN

PT. SARANA DINAMIKA PRATAMA telah berdiri dari tahun 2003, beralamatkan di Jalan Bungur Besar Raya Jakarta Pusat dengan rintisan usaha sebagai distributor dan agen tunggal untuk Peralatan Uji Laboratorium di beberapa bidang Industri baik itu laboratorium swasta, pemerintah, universitas, maupun lembaga penelitian lainnya. Pada tahun 2009 Kantor Utama **PT. SARANA DINAMIKA PRATAMA** berpindah lokasi ke Jalan Letjend Suprpto, Jakarta Pusat di Ruko Mega Grosir Cempaka Mas, Blok N No. 25 serta memperluas gedung ke Blok N No. 28 pada tahun 2019, hingga saat ini.

Sebagai agen tunggal merek ternama di dunia seperti : Atlas Material Testing Technology LLC (Ametek), Chicago - Amerika yang sudah lebih dari 100 tahun memproduksi mesin Light Fastness dan Weathering Testing Machine. Diindustri alas kaki (Sepatu dan Sandal), kami didukung oleh Satra Technology dari United Kingdom dan Gester Instruments International dari China. Untuk industri otomotif dan karet kami bekerja sama dengan U-Can Dynatex Inc. dari Taiwan. Pada industri pengemasan kami menjadi agen dari Labthink Instruments. Kami juga menjadi agen dari beberapa perusahaan China yang lain seperti Cobekk, Lisun serta BIA dari Perancis dan IPT dari Jerman. Kami menyediakan produk consumables dari AATCC, SDC, Testfabrics, Taber, dan lain-lain. Seiring dengan bertambahnya produk yang kami ageni, kami membuka diri untuk memberikan servis dan dukungan jasa kalibrasi untuk pelanggan kami yang sudah membeli produk dari kami. Tahun 2020 kami mendaftarkan Laboratorium Kalibrasi ke Komite Akreditasi Nasional (KAN) dan mendapatkan sertifikasi dengan **Nomor : LK-352-IDN.**

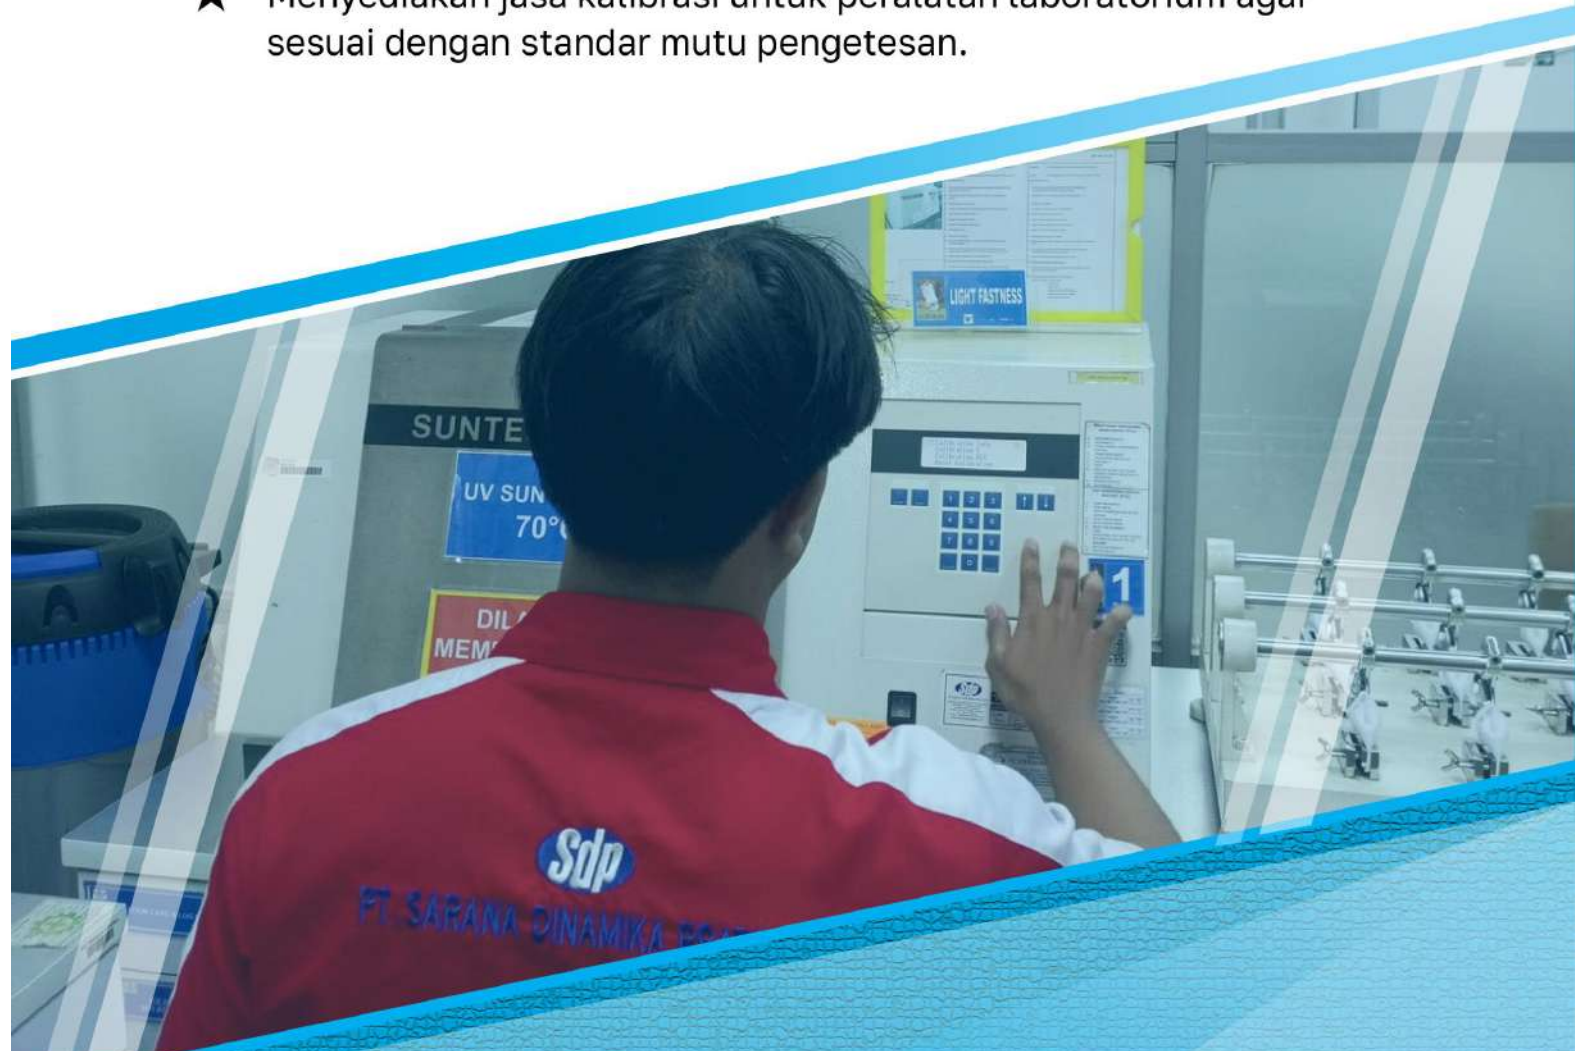

Visi Perusahaan

Menjadi perusahaan pilihan bagi pelanggan dalam menentukan pemilihan alat yang tepat untuk alat pengujian dan kalibrasi di Laboratorium / Quality control milik pelanggan.

Misi Perusahaan

- ★ Menyediakan penjualan, layanan perbaikan, pemeliharaan dan kalibrasi untuk mesin-mesin laboratorium di industri swasta atau milik pemerintahan.
- ★ Menyediakan penjualan suku cadang yang sesuai dan tepat untuk membantu kelancaran dan kebutuhan dari pelanggan.
- ★ Menyediakan jasa kalibrasi untuk peralatan laboratorium agar sesuai dengan standar mutu pengetesan.
